This exhaustive and rigorous critique will prove valuable to anyone undertaking advanced research in hermeneutics, including teachers and students of theology and language or literary theory.

Many Christians, including Jimmy Swaggart and Dave Hunt, claim psychology is seductive, destructive, and dangerous. These concerns have left many people confused and questioning if, in counseling, should I get out, are non-Christian counselors always to be avoided? Should pastors do counseling themselves, or should they refer church members to psychologists? Gary R. Collins is one of the most widely read and well-respected authors of our day.
